## THANK YOU...

for interest in Superbike-Coach programs

Hello,

Options are highlighted in red.

California Tour, Level B:

Arrival San Francisco, California. I'll pick you up at the airport. I'm going to celebrate with you to the city. (1 night)

In the morning we take off our motorcycles and drive on one of the world's most beautiful roads to Carmel, where Clint Eastwood is mayor, and then to Monterey / Salinas. In the morning we take off our motorcycles and drive on one of the most beautiful roads in the world To Monterey / Salinas. (1 night)

Then we go up to the Sierras, where we drive into the legendary Yosemite Valley and then glide through breathtaking canyons until we reach Gold Street, California, the 49th (1 night)

It goes off to the gelaende, where we can once again really get off. We get everything we need - from the enduro to the clothing. We then celebrate the occasion in Old Sacramento. (1 night)

On account of which the tourism does not know I bring to the Napa Valley, the part of the state from which the best wines come. (1 night)

On the next day, we will drive again on one of the most beautiful roads of the world - the Highway One but away from tourism. This is something you will never forget, including San Francisco and the Golden Gate Bridge. I hope that we can return later in the afternoon in San Francisco the motorcycles. Then we go to the city to celebrate our joint motorbike adventure. If that was not enough you could add another hotel night to experience SF even more (1 night, evt 2)

The next day I bring you to the airport and help with the check in etc.

"Team option"

Most of those who book this tour do without a companion vehicle. This allows me, your guide, also with a motorcycle on the road. The coherence is promoted, which should not be underestimated. Only the baggage becomes the 'feasible' challenge.
